Establishment for the Irrigation division at Chitaldrug.

Chief Engineer's no. 5767-8 Dt 5/3/46.

D

In G.O. (no P.W. 4726-29) Dt 5.1.46, sanction was accorded to the estimate for Rs. 10.57 lakhs for constg a tank across the Jinigehalla near Sanjeevahalli in Jagalur Taluk. To enable the work being pushed through expeditiously, the C.E. has submitted the following proposals:—

1. Kuntukadur Tank
2. Thippadahalli tank
3. Gadinakunte Tank
4. Parasurampur tank.

(1) constitution of a new division from 1.7.1946 for the marginally noted tank works with HQ at Chitaldrug;

(2) execution of this work under piece work system to afford relief to the people in the distressed area;

(3) Authorisation to the Asst Engr to grant an advance of Rs 300/- to each piece-worker for recruiting labour, purchasing bullocks &c;

(4) grant of an advance of Rs 2000 to the Asst Engrs to purchase & stock food grains for labour & staff;

(5) grant of a house rent allowance of 10% of pay to Divn & staff.

On the expiry of the period of sanction to the Reconstruction Roads Division on 1.7.46, it is proposed to merge the staff in the new Division now asked

WT C1094—GPB—20,000—25-2-41

Irrigation Division at Chittalady

2. There are now 3 Subdns for the tank works, each under an Asstt Engr with the necessary staff for the execution of the works. The present

1. Kunteikadu tank work - 1 subdn
2. Gadumaikunte tank work } 1 Subdn.
   Thuppakalli tank work }
3. Parasuramapura tank work - 1 subdn

proposal is to constitute a subdn with the necessary staff for the execution of the Sangamalai project work and to place this and the above three subdivision under an Executive of the Division with necessary staff for them. The establishment proposed for the Div and the new Sub Division with cost for 5 years is shown in the proposition statement. G1.

The need for house rent allowance is not clear. It may be given as construction allowance as has been done in the case of other works under execution.

3. Provision of 1 clerk on Rs 70-5-95 is included for Central Office in the proposition statement. The need for this is not apparent especially as the work in respect of K.R.S and J.P.S is getting reduced.

4. The cost of establishment is estimated at Rs 200325/- for 5 yrs. What provision is included in the project estimate for this purpose has not been intimated.

5. The proposal to constitute a Division a subdn with the staff is a similar

NOTE FOR CIRCULATION IN COUNCIL.

Irrigation Division at Chitaldrug.

An estimate amounting to Rs.10.57 lakhs has been sanctioned in January 1946 for the construction of a new tank across the Jinigehalla at Sangenahalli in the Jagalur taluk. For the speedy execution of this and certain other works of magnitude in progress in the Chitaldrug District, the Chief Engineer has submitted the following proposals:-

1. Formation of a Sub-Division with the necessary staff for the Sangenahalli project.
2. Formation of a separate Division under an Executive Engineer with the necessary establishment and to place the following four Sub Divisions under its control.

i. Sangenhalli Tank works Sub Division.

ii. Muthagadur Tank works Sub Division.

iii. Thuppadahalli and Gadimakunte Tank Works Sub-Division.

iv. Parasarampur Tank Works Sub Division.

The Sub Division and the Division now asked for are proposed to be formed for a period of three years with the establishment as shown in the proposition statement, which also includes watch and ward establishment, staff required for starting a dispensary, and a clerk for Chief Engineer's Office. A house-rent allowance at 10 per cent of pay is also proposed for the officers and staff.

The Division is proposed to be started with effect from 1-7-1946 by merging the staff of the Roads Re-conditioning Division at Chitaldrug, the period of sanction to which expires on 30-6-1946.

The cost of the establishment is proposed to be met from the provision made for the establishment and

and contingencies in the sanctioned estimate for the Sangenahalli project and other works.

The proposal to sanction the formation of a new Division at Chitaldrug and a Sub Division for Sangenahalli tank works, for a period of two years, with the establishment as shown in the proposition statement, (excepting the clerk for the Chief Engineer's office) and the grant of a construction allowance at ten per cent of pay to staff stationed at the workspot in lieu of house rent allowance proposed by the Chief Engineer has been agreed to by the Minister for Public Works and the Dewan. Concurrence of the other Ministers is required before obtaining sanction of His Highness thereto.-

Final Note by the Minister for Public Works.

Subject.— Proposal to form an Irrigation Division at Chitaldrug and a Sub Division for Sangenahalli Tank Works.

Note 'A'

An estimate amounting to Rs.10.57 lakhs has been sanctioned in January 1946 for the construction of a new tank across the Jinigehalla at Sangenahalli in the Jagalur taluk. For the speedy execution of this and certain other works of magnitude in progress in the Chitaldrug District, the Chief Engineer has submitted the following proposals:-

D

1. Formation of a Sub Division with the necessary staff for the Sangenahalli project.
2. Formation of a separate Division under an Executive Engineer with the necessary establishment and to place the following four Sub Divisions under its control.
   - i. Sangenahalli Tank works Sub Division.
   - ii. Muthagadur Tank works Sub Division.
   - iii. Thuppdahalli & Gadimakunte Tank Works Sub Division.
   - iv. Parasarampur Tank works Sub Division.

The Sub Division and the Division now asked for are proposed to be formed for a period of three years with the establishment as shown in the proposition statement, which includes watch and ward establishment, staff required for starting a dispensary, and a clerk for Chief Engineer's office. A house-rent allowance at 10 per cent of pay is also proposed for the officers and staff.

The Division is proposed to be started with effect from 1st July 1946 by merging the staff of the Roads Re-conditioning Division at Chitaldrug, the period of sanction to which expired on 30th June 1946.

The cost of the establishment will be met from the provision made for the purpose in the sanctioned estimate for the

Sangenahalli Project and other works.

The proposal to sanction the formation of a new Division at Chitaldrug and a Sub Division for Sangenahalli tank works, for a period of two years, with the establishment as shown in the proposition statement (excepting the clerk for the Chief Engineer's office) and the grant of a construction allowance at ten per cent of pay to staff stationed at the workspot in lieu of house rent allowance suggested by the Chief Engineer has been agreed to by the Dewan and the other Ministers. I solicit the gracious sanction of His Highness thereto.

ESTABLISHMENT REQUIRED FOR THE IRRIGATION DIVISION AT CHITALDRUG.

Sir,

I have the honour to state that Government in their Order No. P.W. 4726-29/Irr. 1-45-66 dated 5-1-1946 have sanctioned the estimate for constructing a Tank across the Jinegehalla at Sangenahalli in Jagalur Taluk.

2. In order to push through the work expeditiously, the Superintending Engineer, Shimoga Circle has stated that the establishment as per Proposition statement (copy enclosed) is necessary. Further he has requested sanction to the following proposals.

(a) To entrust the marginally noted tank works to the new Division from 1-7-1946.

1. Muthukadur Tank.
2. Tuppadahalli Tank.
3. Gadimakunte Tank.
4. Parasurampur Tank.

(b) To start the work under piece-work system to afford relief to people of the distressed area.

(c) To authorise the Assistant Engineer to grant an advance of Rs. 300/- to each individual piece-worker for recruiting labour and purchasing bullocks etc.

(d) To grant an advance of Rs. 2000/- to the Assistant Engineer to purchase and stock food grains required for the labourers and staff.

(e) To grant a house rent allowance of 10 per cent of the pay to the Officers and staff.

3. Incidentally, it may be mentioned that the sanction to the continuance of the Roads Reconditioning Division at Chitaldrug expires at the end of June 1946 and as such it will be handy to

C.O.,

to form the new Division without much difficulty. Under orders of Govt- this Executive Engineer with his office staff and an Asst Engineer are attending the Darjeeling hobby work for the last 2 months

4. I agree with the recommendation of the Superintending Engineer and request you to be so good as to obtain and communicate sanction of Government, to the formation of the Irrigation Division with Head Quarters at Chitaldrug with the establishment as per the proposition statement for a period of five years and also to the proposals of the Superintending Engineer noted above.

I have the honour to be,

Sir,

Your most obedient servant,

GCS/5th.

Sir,

Establishment required for the Irrigation Division at Chitaldrug.

With reference to your letter No.P.W.6766/Est. 102-45-2 dated 2-4-1946, I have the honour to state that a sum of Rs.81,900/- has been provided in the sanctioned Jinigehalla - project Estimate under "Establishment". As the cost of establishment for the formation of the Division for a period of 5 years amounts to Rs.2,00,325/-, sanction of Government for the formation of a Division for a period of 3 years instead of 5 years as previously recommended, may kindly be obtained and communicated. A sum of Rs.1,20,195/- is necessary for the - continuance of the Division for a period of 3 years and the extra cost of Rs.38,295/- will be met partly out of the provision of Rs.40,950/- made under Contingencies in the sanctioned project estimate and partly by apportion of a part of the cost of the Divisional establishment to several other irrigation works proposed to be attached to the Division.

2. I request you to be so good as to obtain and communicate early sanction of Govemment for the formation of the Irrigation Division to enable the newly formed Division to function from 1st July 1946 by which time the period of sanction to the Roads Reconditioning Division to which Sangenahalli Tank works is attached expires.
